

Instructions for Team on Submission, Evaluation, Report, and 1-pager (HACKMATRIX 2.0)

Co-Organised by Jilo Health & NJACK IIT Patna

Dedicated email account for the Hackathon.

All team must create a dedicated hackathon email with this format:

jh[team_name]2026@gmail.com [Example: if the Team name is Medmitra the team will be jhmedmitra2026@gmail.com

In the recovery email and phone number only use [7667749930 and suman@jilohealth.com]

You must use Supabase for your backend and hosting: **Therefore, you must create a Supabase account with the Hackathon email.**

Supabase is free for 50,000 users and one project therefore you don't have to pay or attach a debit or credit card.

In Supabase, you must select Mumbai as your data storage.

1-pager (One pager should not be more than one page):
